Research Interests

My research examines the social, technical, and governance aspects of online privacy and safety. I combine methods from computer science and the social sciences toward scrutinizing the surveillance possibilities of digital services and emerging technologies, with a particular focus on the interactions between offline and online systems.

Education

University College London September 2022 - December 2026
Ph.D. in Computer Science *London, UK*

Dissertation: "Downvoted to Oblivion: Inclusive Privacy and Safety Challenges Towards the Mitigation of Intra-Community Conflict"
Supervisors: Drs Marie Vasek, Mark Warner, and Leonie Tanzcer
Affiliations: UCL Information Security Research Group, Gender and Tech Research Lab, HARMS Lab, and Safer Digital Services Lab

King's College London September 2021 - September 2022
M.A. in Intelligence and International Security *London, UK*

Dissertation: "The Security and Privacy Landscape of Central Bank Digital Currencies"
Supervisors: Prof. Didier Bigo and Dr Hillary Briffa

Louisiana State University August 2017 - May 2020
B.A. in International Studies *Baton Rouge, LA, USA*

Appointments

Inria Centre de Saclay & INSA-CVL 2026 - Present
Posdoctoral Researcher with Prof. Benjamin Nguyen and Dr Nicolas Anciaux *Palaiseau, FR*

University College London 2026
Graduate Researcher with Prof. Michael Veale, Dr Nicolas Gold, and Alexandra Potts *London, UK*

Max Planck Institute for Security and Privacy 2024
Visiting Researcher with Dr. Yixin Zou *Bochum, DE*

Publications

2026

Toward inclusive online safety: evaluating the role of intersectionality on online abuse in the United Kingdom.
Kyle Beadle, Enrico Mariconti, Leonie Maria Tanczer, and Marie Vasek.
Information, Communication & Society (iCS). 2026. Journal

"You Have Been Selected as the Winner": Characterizing User-Reported Scams on TikTok.
Smirity Kaushik, Kyle Beadle, Gauri Nayak, Madelyn Rose Sanfilippo, Mainack Mondal, Sai Teja Peddinti, Jingjie Li, Yixin Zou.
22nd Symposium on Usable Privacy and Security (SOUPS), Hannover, DE. August 2026. Conference

"There is literally zero funding": Understanding the Emerging Role of Trusted Flaggers under the EU Digital Services Act.
Marie-Therese Sekwenz, Kyle Beadle, Simon Parkin. 2026 Preprint

2025

"Edit: I'm sorry for being offensive, this is getting downvoted and I feel terrible": Implicit Social Norms as Governance in Identity-Based Communities.
Kyle Beadle, Mark Warner, and Marie Vasek.
Proceedings of the ACM on Human-Computer Interaction (CSCW), Bergen, NO. October 2025. Conference

SoK: A Privacy Framework for Security Research Using Social Media Data.
Kyle Beadle, Kieron Ivy Turk, Aliai Eusebi, Mindy Tran, Marilyne Ordekian, Enrico Mariconti, Yixin Zou, and Marie Vasek.
Proceedings of the 2025 IEEE Symposium on Security and Privacy (SP), San Francisco, CA, USA. May 2025. Conference

Technologists Setting De-facto Policy.
Marie Vasek and Kyle Beadle.
Rossfest Festschrift, Cambridge, UK. March 2025. Workshop

2024

Kafka's Wallet: Building Trust Despite Financial Surveillance in CBDCs.
Kyle Beadle and Marie Vasek. *Advances in Financial Technologies*, Vienna, AT. September, 2024. Poster

The Possibilities of Data Resistance in a Digital Society.
Kyle Beadle.
What are the possibilities of a good digital society? - British Academy. 2024. Invited Discussion Paper

2023

Peer Surveillance in Online Communities.
Kyle Beadle and Marie Vasek.
Workshop on Inclusive Privacy and Security - USENIX Symposium on Usable Privacy and Security (SOUPS), Anaheim, CA, USA. August 2023. Workshop

Honors and Awards

- 2025 CNIL-EHESS Award Runner-Up
- 2024 AFT Travel Grant
- 2024, 2023 UCL Equality, Diversity, & Inclusion Student Award
- 2022-2026 UCL International Scholar Award & EPSRC Centre of Doctoral Training Studentship

Research Funding

Investigating Intersectional Experiences of Online Gender-Based Abuse (£12,000)
Online Violence Against Women and Girls (OVAWG) Secondary Data Analysis and Literature Review Grant, Ofcom, 2025.

The Possibilities of Data Resistance in a Digital Society (£2,500)
What are the possibilities of a good digital society? British Academy, 2024.

Teaching Experience

Guest Lecturer, University College London — Fall 2024
Computer Security I (COMP0054): "Physical Security."

Teaching Assistant, University College London — Spring 2025, 2026
Cybersafety and Online Harms (COMP0236)

Teaching Assistant, University College London — Fall 2023, 2024, 2025
Computer Security I (COMP0054)

Teaching Assistant, University College London — Fall 2025
Security (COMP0141)

Teaching Assistant, University College London — Fall 2025
Cryptocurrencies (COMP0143)

Teaching Assistant, University College London — Spring 2024, 2025
Algorithms (COMP0005)

Service

Program Committees

- Surveillance and Usable Privacy Workshop (SUP) 2026
- Gender, Online Safety, and Sexuality Workshop (GOSS) 2024, 2025

External Reviewer

- FAccT 2026
- CHI 2026
- CSCW 2024, 2025
- Euro S&P 2026 (sub-reviewer)
- New Security Paradigms Workshop 2023 (sub-reviewer)

Institutional Service

- 2025 Invited Lecture Chair for UCL Lunch Hour Lecture, 'Cancel culture' in queer and trans online worlds, Kata Kyröla
- 2023 Member of the UCL LGBTQ+ Computer Science EDI Working Group
- 2023 Presenter for UCL Computer Science Outreach with Thinking Black

Contributions to Public Policy

- Response to House of Lords Communications and Digital Committee Inquiry re: "The Online Safety Act: implementation and impact," September 2026.
- Invited Panelist on Ofcom's "VAWG Research Roundtable," July 8, 2025.
- Response to Ofcom re: "Protecting people from Illegal Harms Online," February 2024. UCL Gender and Tech Research Group. **Cited by Ofcom in** "A Safer Life Online for Women and Girls: Practical Guidance for Tech Companies," February 25, 2025.
- Invited Panelist on London's Violence Reduction Unit and Research and Policy Partnership "Social Media and Violence Roundtable," April 18, 2024.

Research Mentoring

2026	Baixue Wu	Visiting Researcher, UCL
2026	Abinav Baskar	MEng Computer Science, UCL
2025	Atheesha Ramesh Kanna	MEng Computer Science, UCL
2025	Aleeyah Kadri	MEng Computer Science, UCL
2025	Nellie Szeplaki	MEng Computer Science, UCL
2025	Meharjeet Ahluwalia	MSc Information Security, UCL
2024	Dana Alabbasi	MSc Information Security, UCL
2023	Jason Pienaar	MSc Information Security, UCL

Training

2025 Winter School on Quantitative Information Security Research, Obergurgl, Austria

2023 Interdisciplinary Summerschool on Privacy, Nijmegen, The Netherlands

Presentations

Invited

"Toward Inclusive Online Privacy: Investigating Inequalities and Empowering People."

- PETSCRAFT - Inria Saclay, 3/2026, Palaiseau, FR.

"SoK: A Privacy Framework for Security Research Using Social Media Data."

- Commission nationale de l'informatique et des libertés (CNIL), France's Data Protection Authority, 7/2025, Paris, FR.
- CEDAR - Inria Saclay, 6/2025, Palaiseau, FR.
- TU Delft - AI Futures Lab, 5/2025, Delft, NL.

"Downvoted to Oblivion: Censorship in Online, LGBTQ+ Communities."

- 3rd CyberMi2 Research Day, 8/2025, Edinburgh, UK.
- Cambridge Security Group Seminar, 2/2025, Cambridge, UK.

Conferences and Workshops

- 1st Workshop on Surveillance and Usable Privacy, USENIX Symposium on Usable Privacy and Security (SOUPS), 8/2026, Hannover, DE: "Surveillance Studies as Reflexive Practice in Usable Privacy Research."
- 7th Annual PrivaCI Symposium, 5/2025, Brussels, BE: "Intracommunity Online Harms as Contextual Integrity in LGBTQ+ Communities."
- 10th Biennial Surveillance & Society Conference, 5/2024, Ljubljana, SI: "The Work of Altering One Another: Peer Surveillance, Data Exposure and Social Identity."
